on to be given said defendant by the petitioner causing this notice to be published in the New York Sun once each week for two successive weeks, beginning on or before April 25th, 1916. By order of Court.

WHEATON F. DOWD, Clerk.

Standard Oil higher and American electrolytic reduced.

But not until long afterward. Spot

tin was not four dollars yesterday. Spot tin is scarce and quotable at 14 1/2 lbs. Far off futures are higher because of the further advance of 1 1/2 lbs. in the Singapore market. Sales of Banca English tin are made at concessions of 1 to 1 1/2 lbs. from Straits. London is unchanged yesterday. Interest for the month is in the standard position. The visible supply at the close of April was 19,739 tons.

1961, 30,000 tons larger than at the close of March and 2,000 tons greater than on the corresponding day last year. Deliveries into American consumption since January 1 have been 1,615 tons larger than last year, while European deliveries have been 3,290 tons less. Imports from the Straits have been 1,176 tons larger than during the corresponding period last year. Arrivals at United States

May 1, and since
May 1, 1974, have come in
and out but steadily yesterday at
\$2.00, New York and 74.75¢ East St.
June for spot, May and June shipment,
London was 75¢ all lower on futures, but spot
is unrealized at 74.75¢.
Shelter continued dull and easy at 12.12 1/2
for spot, 12.12 1/2 for May, 12.12 1/2 for June.

June, 1935; for July and August, 1935, the third quarter at East St. Louis. London is unchanged.
